Tim,
I'm guessing we will need a court order (or a complaint) on Monday if Weintrob does not comply. Please advise. Thanks. John

John: I think that you should talk to the Chief. I'll participate if you want. I think the Chief or someone on his behalf should call the Commissioner to advise him to bring back the plans before any formal complaint is filed.

Let me know.

As the Department Head of Public Works I am asking you to return the beach replenishment plans I gave you last week. I have not had a chance to look at them myself and I would also like to have Commissioner Piatt review them.

At our Town Hall meeting on Monday I invited the residents to visit city hall if they wished to see the plans.

Please leave them with Patti as soon as possible.
