Mayor

From: Mayor Bagnell *MB*  
Subj: Compensation Time- Tom Quirk  
Date: March 25, 2013

As you know during Super Storm Sandy, many of our employees worked overtime. Tom Quirk worked 64 hours the week of October 29-November 4, 2012 and is thus eligible for 24 hours of overtime.

I ask you to credit Mr. Quirk with 3 compensation days in lieu of pay. Mr. Quirk understands that these 3 days must be used in calendar year 2013 and may not be carried over into 2014. It is also understood that the usual request process and notification of the City Clerk's office must be followed for each day used in 2013.

Please contact me if you have any questions.
